

COURSE DESCRIPTION 2011-2012

COURSE NAME:	Business and Entrepreneurship	LEVEL:	Cycle 2, Year 3
COURSE CODE:	604 – 564	PERIODS PER CYCLE:	4
TEACHER(S):	E-MAIL ADDRESS:		
Ms. Tracy Smith	smith.t@qaa.qc.ca		

Subject Area Competencies:

1.	The student determines her suitability for entrepreneurship
The student recognizes her entrepreneurial qualities through building her profile and determines how to use them through appropriate strategies.	
The student will expand her vision of her entrepreneurship	
The student will compare her entrepreneurial qualities with those of her peers and is able to balance those qualities and figure how they relate to the involvement of her profile.	
2.	The student implements her entrepreneurial project
The student chooses an entrepreneurial project idea that is realistic and will suit her abilities.	
The student plans the project, both individually and within a group.	
The student carries out the project, and acknowledges the importance of following a process. How does the student work from beginning to end of the idea?	
The student evaluates the project, recognizing and adjusting any issues that hold the venture plan back.	

Term Evaluations:

All competencies work together to a final evaluation of 100%

- Term work will be worked together to count for **60%** of the final grade.
 - Within this percent the breakdown will be as follows:

Tests and Major Assignments:	70%
Small assignments and quizzes:	30%
- The Christmas exam will count for **40%** of the Term 1 grade. While the June exam counts for **40%** of the year.

Tutoring:

Will be offered once a cycle during lunch time on **day 3**

Expectations:

The expectation is for 30 minutes of homework for each one hour of class time.

Students are responsible to get work that is missed when absent.
