

Transportation

By public transit... In the mornings, students can take westbound STM buses starting from the Angrignon terminus or eastbound STM buses from the Dorval train station. There are also commuter trains which coincide with morning buses. See www.stm.info for timetables.

In the afternoons, special westward-bound STM buses depart from outside the Academy on Bouchard Boulevard about 15 minutes after dismissal. The regular STM buses run in both directions along Bouchard Boulevard on their regular schedule. Students may transfer to the train or other bus routes at the Dorval or Angrignon terminus.

By car... In the mornings, students disembark along the drop-off lane at the back of the school. Cars then proceed to Bouchard Boulevard by the west-end gate. *Carpooling is encouraged.*

For pick-up at the end of the school day, drivers wait in the visitors parking area just east of the school and are asked to leave a lane clear so that cars can exit easily. Students leave the building by the locker room and “Barbie” doors only. Cars then proceed along the drop-off lane at the back of the school and out onto Bouchard Boulevard. (See diagram on opposite page.)

Please do not block traffic as you pick up or drop off students!

Our campus is easily accessible and centrally located on the West Island.

By foot... When entering or leaving the premises on foot, students must use the pedestrian walkways and **carefully** cross Bouchard Boulevard at the pedestrian crosswalk.

Pick-Up Times

- If later than 3:30 pm students must wait in supervised areas (co-op, computer lab, library). Drivers must come to the main entrance, park and ask for their passengers by name at the front-door intercom.
- All students must have been picked up by 5:00 pm when the building closes and all staff have left.
